In school this week some of the Year 6 children participated in a Spelling Bee competition. This was a fun event and the participants were very competitive, having to think quickly about how to spell the challenging words from the list of statutory spellings. Well done to everybody who took part in this challenge, with special congratulations to our winner Gary C, in joint second place were Fraser H and Kian O and to Jack E who won the Group 3 Spelling Bee.

Our FunRaisers have kindly bought new benches for our playground using some of the money they have raised. Our School Council members reported how pupils would really like a nice bench to sit at in the quiet area at break time. Our FunRaisers were so kind they got us 4! Also, the School Council members thought it would be a nice idea to have the benches painted, incorporating our school values into the artwork.

Mrs Twidale thought this was an excellent idea. She decided to invite Rory McCann into school to help some of our talented artists to paint them. We will report back next week after stage 2 is complete.
