In assembly this week we've talked about Mother Theresa, which linked nicely with this month's value of humility.

We have also welcomed Class 6 parents in for lunch and it has been good to see so many year 5 parents attending lunch with their children over the last few weeks. Year 6 parents will be invited for lunch during the next half term.

School Council members have been busy this week; they met with Mrs Thain first of all. Then they were set the task of conducting a survey for Miss Peters after she spent the afternoon working with them.

It has been good to see so many children enjoying the wide variety of after school clubs on offer this term and we have included a feature on the reverse about gardening club, which has been extremely popular.

**PLEASE NOTE CHANGE OF DATE FOR SPORTS DAY.  
IT IS NOW ON MONDAY 18 JULY  
IN THE MORNING**

# What's been happening in Gardening Club...

Mrs Leather and her mum have been very busy with the children in gardening club. They have been very fortunate that the weather has been so good, enabling them to go outside most weeks; the children have enjoyed planting beans, potatoes, redcurrants, rhubarb, strawberries and many more...

It's a good reason to start people liking nature, thinking about trees and plants.

I think it's good because it gets more people outside and they can do lots of different things.

I like learning how to grow plants.

It's good because people get shown how to plant seeds and get to learn adventurous things.

They support us when we need it.

I think Mrs Leather and Mrs Burke are helpful and know a lot about gardening and support us.

We asked children from Mrs Leather's class to show us around their garden and to tell us what they thought of the club and the adults helping them. Thank you to Alex, Ashleigh, Gracie, Jessica and Leah for sharing your thoughts about the club.
