At the end of April many children took part in Usborne Books' sponsored Ready Steady Read challenge. There were a lot of children who participated and they raised a substantial amount, £608.71, of sponsorship money between them, enabling Usborne to donate a number of free books to the school. In Thursday's assembly their achievements were celebrated and the children were given their books and certificates.

As a school, we would like to thank all parents and carers for helping their child(ren) with this fund raising activity.

Sainsbury's School Games News

Kwik Cricket, Friday 17 June

Nine children from Year 3 and 4 represented HJS at the Kwik-Cricket Tournament, played at Shrewsbury Sports Village.

The children had a wonderful time displaying some useful Cricket skills. From the very first game, children were very determined to perform to their very best, illustrating some excellent approaches towards teamwork.

Many of the children excelled while they were fielding showing high levels of resilience to help them to be successful. Christopher, Taylor, Ben and Imogen took some amazing catches and made some great stops during the afternoon.

Riley played very well as wicket keeper, using the knowledge that he has learnt to help him, throughout the afternoon.

It was pleasing to see the children batting with confidence and authority. All of them did exceptionally well. Ellie, Fletcher, Daniel and Jacob managed to hit the ball great distances resulting in them achieving 4's and 6's.

We played six matches in total, winning five. A magnificent achievement. At the end of the competition, HJS were level on points with two other teams at the top of the group. As a consequence, it was decided that the team which had scored the most runs during the afternoon would be deemed as the winners. This meant that HJS finished first.

Well done to all the children that took part, playing Cricket in the spirit of the game with great determination and effort.
