HJS NEWS

FRIDAY 13th JANUARY 2017

January's value of the month is: Tolerance
If a child lives with tolerance, they learn to be patient.

We have had a lovely week in school. All of our children are working hard. We have had lots of visits to the office to show either lovely workbooks or a completed Merit Card. Keep up the good work boys and girls.

Also this week, we would like to share with you a very special experience that Chenai and Jessica had on Tuesday. The girls attended Veolia's Battlefield Energy Recovery Facility opening ceremony with HRH Princess Anne as guest of honour. Chenai, Jessica and Hannah were selected by Mrs Thain for their hard work, enthusiasm and dedication to an art project they completed in the Autumn term — this art work was a follow up from the fantastic G&T art project that was led by Miss Felton. Little did we know that the art work we produced would be used to create a gift for Princess Anne.

Last Friday, the girls met with Mrs Hampton from Veolia to learn that they would present Princess Anne with this art.. Their faces lit up and they carefully prepared over the weekend. Sadly, on the day, Hannah was unwell but she was definitely with us in spirit and Chenai and Jessica talked about her to the guests we sat with.

Mrs Thain reports how the girls were a real credit our school and their parents displaying excellent courtesy, allowing their good nature to shine to all they spoke to as well as gratitude towards the Veolia staff for the kind invite. The girls had a lovely day and we are sure they will remember this for a long time to come.

Here are some photos.

Polite Notice

Please can you support us by avoiding parking on the zig-zag lines which are located at the end of the school alley on Field Crescent.

If you have any concerns about parking either before or after school, please contact the Community Support Officer directly on: 03003 333 000 ext 5886. Unfortunately, the CSO requires parents or residents to make the contact rather than school.

Student Planners

Please make sure that you continue to check your child's Student Planner. Each week we invite children to show us their planner so we can see how much reading they have been doing. As well as this, it gives us an opportunity to discuss homework with the children.

We set homework each week and information about this is recorded in the Student Planners. We really appreciate your support with homework. If you or your child requires support with this then please do speak to class teachers so we can help out.

Don't forget, Book Bingo at the back of our Student Planners. This table provides children with a guide for broadening their reading experiences. Once completed, pupils can visit the school office for a prize and certificate.

FunRaisers

We are looking forward to organising this term's events and that if anyone has unwanted/surplus Christmas gifts that they would like to donate to help us fund raise, we are always very grateful to receive any items.

Our next meeting is on Tuesday 24 January at 9am, everybody welcome to come along to meet us and find out what we do.

The BBC One prime time series 'Eat Well For Less?' is currently in production with a brand new series of the show. Applications are now open and they are currently on the lookout for fun and lively families who would love to save some money on their weekly shop and eat more healthily.

The show follows Masterchef's Gregg Wallace and award winning greengrocer Chris Bavin on a mission to prove that it is possible for families to save money on their food budget without scrimping on taste and nutrition. They hope that by analysing the shopping habits of UK families, they can help to show where we can source the best and cheapest quality food.
