We hope you all have a lovely Easter Holiday and we look forward to seeing everyone back for the summer term on Monday 24th April.

At the start of the week the Year 5 children performed their production, Hoodwinked, to the rest of school and Year 2 children from Sundorne Infant School. Then on Tuesday and Wednesday they did three performances to family and friends. A huge well done to all our Year 5 children for taking the time to learn their lines and the song words. All of the year 5 staff are extremely proud of all the children in the year group and we look forward to seeing your next production when you are in Year 6. We would also like to thank everyone who attended the performances and supported the children.

On Thursday we celebrated the Learning Beyond the Classroom Awards for our upper school children. Mr Heard was delighted with the number of children gaining a certificate and he would like to say a big well done to all the boys and girls. The staff who joined in with the assembly were impressed by the range of activities our boys and girls take part in beyond the classroom. Miss Beard's dance group had been busy over the last week trying to improve their performance even more and they really impressed the upper school audience. Another special feature was Brodie's Tae Kwon-Do's group.

We would like to say a special well done to Erin S & Poppy U for gaining the highest number of hours dedicated to extra-curricular activities. Also, a special mention to Harry M who was delighted to receive his gold award.

We're looking forward to next term already!

Mrs Twidale has had a number of meetings this week with the Community Support Officers for our local area. She's passed on concerns from parents and children about some anti-social behaviour in our local community.

The Community Support Officers are very keen for parents to contact them directly if they are at all concerned about any incidents that occur in the evenings or at weekends. Parents need to either call 101 or email hs.snt@westmercia.pnn.police.uk
