The children who work in our Hub have been studying Roald Dahl's Fantastic Mr Fox recently and their parents and carers were given the opportunity on Tuesday to come into school to look through their child's school work. They also participated in a quiz with their children, which was fun!

We are looking forward to our whole school open evening which is on Thursday 13th July and the evening will include an art exhibition—more information will be sent out after half term.

Over the coming weeks, the School Council members will be undertaking the Safer Schools survey with their class. We would like to thank them for their help and we're looking forward to seeing their results.

Don't forget to have your say by returning the survey by Friday 26 May. Thank you.

Share Aware from NSPCC and O2

Share Aware, from NSPCC and O2, gives parents all the tools they need to have regular and informed conversations with their child about staying safe online. Under 20% of parents discuss online safety regularly with their children but we want to get every family talking about their child's life online, just as they would their day at school.

Parents can sign up to the [Icebreaker email series](#) and become an expert in their child's online world in 6 weeks, follow our [four simple steps](#) to keeping kids safe online, watch our film '[Safety advice from a 10 year old](#)' or visit [Net Aware](#) - our guide to your child's social networks apps and games.

The internet is a great place for kids to be, being Share Aware makes it safer.

- ♦ Just like in real life, kids need our help to stay safe online. Teach your child to be #ShareAware with @NSPCC and @O2

New Drop-In Running Club

Anybody who would like to join Mrs Downes' running club on a Monday lunchtime is more than welcome. It was great to see so many taking part this week.

Lower school pupils are to meet Mrs Downes on the running track at 12.05pm. Upper school pupils should meet Mrs Downes on the running track at 12.30pm. Please wear comfortable running kit. Children should eat lunch after their run.

Mrs Downes' will be posting 'fastest time' results for the more competitive children, so look out for those on next week's newsletter.
