On Tuesday we staged a UFO sighting at school. During assembly children were shown a newspaper article based on a UFO sighting in Shropshire. Children were asked to be very observant and report anything they felt was relevant to Mr Heard, our newly appointed Alien Liaison Officer. The local Community Police Officers came along to help unravel the space junk that had landed on our field. Our children were fantastic and were very engaged as they then became involved in an exciting newspaper article writing activity. Teachers were very impressed with their ideas and writing and the CPO's can't wait to see a sample of our brilliant writing. Well done everyone for demonstrating great enthusiasm and effort.

## Car Park and Road Safety

For the safety of our children we would kindly ask that they are accompanied by an adult when walking through our car park, and that all drivers drive carefully whilst on school property.

We have also been asked to remind parents/carers not to park on the yellow zig-zag lines on Featherbed Lane or Field Crescent.

Please remember that our school gates to the playground open at 8.40am. Only children who attend breakfast club should be in school before 8.40am. At 8.40am the gates are unlocked and there are school staff to supervise the children on the playground. Some children are arriving at school very early and walking on the car park.

Thank you for your help with this.
