We were greatly entertained this week by our wonderful Y6's production of An Inspector Calls. They performed this show with much enthusiasm to parents and the rest of the school. We were really impressed with how well the children had learnt their lines, acted out their roles and sang the songs. The whole production brought a tear to everyone's eye and makes us realise how much we will miss our Y6 pupils. Well done to all the Y6 staff for producing such a super production.

### 'Safer Schools'

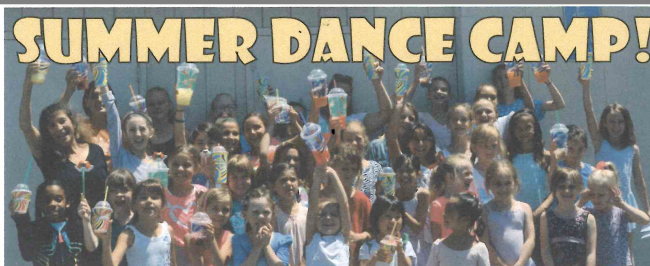

Congratulations to both Harlescott Junior School and Sundorne Infant School on maintaining their 'Safer School' accreditation. This is a security/safety initiative and the recent Safer School Group meeting of both schools clearly indicated the commitment of the Haughmond Federation to the initiative. It was a really positive meeting where we reviewed the security/safety measures, updated the action plan and reviewed the incident reporting. A vital part of 'Safer Schools' includes involving governors, staff, pupils, parents/carers and the schools continue to achieve this through surveys, newsletters and Safer School Group meetings. West Mercia Police and Shropshire Council supported the Safer School Group meeting and a new updated Safer School certificate was presented to both schools. Congratulations!
