Year 6 enjoyed their Leavers Party on Wednesday evening. The FunRaisers made a yummy buffet and arranged for a slushy machine. We are very proud of our wonderful Year 6's and will miss them greatly. We wish them every success at their next school and beyond.

We hope that you all have a wonderful summer holiday and look forward to seeing children back on Tuesday 5th September.

We greatly appreciate all our fantastic FunRaisers do for the children of HJS. Their commitment to organising fun events and raising money is outstanding.

A huge thank you to all the FunRaisers Team.

We raised an amazing £480 at our disco.

We raised £246 at our fundraising event last week for the Harry Johnson Trust.

Our mufti day today raised £134 for school funds.

Thank you

Carol Morgan Award

At HJS we have a number of young carers: Chenai H, Lily H, Lewis C, Molly-Mae J, Fletcher J, Mia B and Ellis D.

These are young people who help look after a relative who has a condition, such as a disability, illness or a mental health condition. Most young carers look after one of their parents or care for a brother or sister. Young carers' responsibilities may include organising life, help with medication, domestic chores, organising household, shopping, personal care, lifting, helping young members of the family, emotional support for the rest of the family and much more.

These children demonstrate many of our HJS values: resilience, caring, thoughtfulness, co-operation and responsibility to name a few. They really deserve the Carol Morgan Award for all they do to support their families and sacrificing their own time to do this.

Upper	52	43	64	59
Totals	101	93	118	126

Sports Day was a huge success again this year. On a beautiful sunny morning there was a big turnout from the parents and lots of noise made by the children! The day itself went very smoothly and every one ran well and tried their best in everything they did. The final results saw Panthers win in lower school and Wolves win in upper school with Panthers overall champions having the most points added together. These points along with the Rounders competition points were added to the grand totals for the year. So overall, Lions were school sport house champions for the second year running with a total of 1573. A huge well done to everyone in Lions and to everyone who has competed in competitions in school over the whole year.

Six classes took part in a Level one Rounders competition last week. The competition saw the class split into two teams and compete against each other. In Year 6 two classes managed 5-5 draws! Overall winners were Lions but all scores will be added to the yearly team totals. Well done to all of those children who took part!

Federation update

Dear Parents and Carers

As a result of the community visioning that has taken place I am delighted to be able to share with you the new Haughmond Federation logos

The children have been an absolute credit to both schools and excelled in all areas of achievement, the arts, performing, sporting, academic and values. We are extremely proud of all the children. It has been an amazing end of the year, for both schools in terms of results. All areas and phases have seen an improvement on last year's results, which is a real credit to the whole teams in both schools and across the federation. We wish all the children who are moving onto new schools all the very best for the future.

We now have a complete set of governors they have been meeting regularly and we have a number of meetings arranged for the Autumn term.

Adele Thain – Staff governor

Andrew Davies – Parent governor

Christine Maddox – Head of School

Clare Herzig – Parent Governor

Emily Wada – Vice Chair

Helen Jones – Chair of Governors

Kevin Pardy – LA governor

Lisa Twidale – Head of School

Mark Salmon – Co-opted Governor

Stephanie Kelly – Co-opted Governor

Greg Portman – Co-opted Governor

Clare Holland– Co-opted Governor
Roger Adams– Co-opted Governor
Kay Brophy– Co-opted Governor
Debbie Downes – Associate Governor.

I would like to take this opportunity to thank all of the staff across the federation for all of their hard work and commitment to ensure the schools can be the very best they can be. We have a few staff who are moving onto pastures new and we wish them lots of luck on their chosen path. A lot of work this term has gone into recruitment of staff and as a result we are looking to welcome a number of new staff across the federation. You may also see a few changes on your return in September to both buildings as we are looking to make a number of improvements to the working environment. There will be a start made to improving the outdoor area in nursery through completion of the groundworks and then a structure will be added in the autumn term. This is intended to be a rolling programme of improvement works that we are working hard with the Local Authority to bring about and continue further into the future.

I wish you all a very happy and restful summer and we look forward to welcoming the children back on Tuesday 5th September.
