Attendance Week

Look out for Egbert next week as he will be visiting our schools to show us the importance of good attendance and punctuality.

Our schools work closely with the Local Authority Education welfare Officer to monitor the attendance and punctuality of children at our school. We report weekly on the attendance of each class and reward children for 100% attendance. We ask you to support us with keeping attendance above the national average of 96%. I

Schools remain unable to authorise the annual family holiday during term time.

HJS

September's Value of the Month is Caring

Children over the last 2 weeks have been busy collecting Dojo's in their classes. A Dojo, an online sticker, can be earned for super work, good learning behaviour, showing our HJS values or being very helpful. Some children are doing amazingly well and have attained the 40 they need to select a prize from Mrs Twidale. Please ask your child how many Dojo's they have.

I really liked looking at the painting because I like doing painting and different art myself. I really love that the painting has all the animals that are connected to our house teams. Taya

Your wonderful picture is a delight to our school and whenever I pass it. It brings happiness to me even when I am down. Ella
I think your paintings are out of this world. Whenever I pass it I get inspired. It is great to have them in HJS. They light up our school. Jessica
