## Safety on our Roads

Today we had a meeting Harlescott Juniors to discuss safety on the roads in our community. The main issues discussed were

- Dangerous driving including speeding
- Inconsiderate or illegal parking

Please can we be respectful of our neighbours when parking for the morning drop off and afternoon pick up and not park across drive-ways. There should also not be any parking or stopping to drop off on the zig zag lines at either school site.

The council are carrying out traffic surveys to find out about the extent of speeding in the area and what further measures would be necessary. We now have members of staff out at the start and end of the school day and we are increasing the number of special assemblies and education programmes on road safety within the schools. The police have also listened to our concerns and will increase police presence where necessary and see what further measures can be implemented.

A big thank you to everyone who came to the meeting today. We are passionate about keeping our children safe and intend to have a further meeting to follow up on actions from today's meeting. Our next meeting will be on Friday 15th December 9.00am at HJS.

### **THANK YOU FOR YOUR CONTNUED SUPPORT WITH THIS MATTER AS IT IS CRUCIAL TO KEEPING ALL OF OUR CHILDREN SAFE.**

To enable us to see the extent of the issues at both schools, please can we ask any parents who have witnessed any incidents of dangerous driving or near misses in the past to complete an incident slip for us to compile all the information in one place

Fresh DINING

On Tuesday we had an amazing time at HJS planting trees. Every class took it in turn to come out and help to plant almost 400 saplings to create an attractive new hedge along one of our borders. We hope the new hedge will improve the appearance of our school field as well as eventually providing a refuge for birds and small animals. Everyone got muddy and had a great time. We would like to thank the Woodland Trust for donating the saplings and Mark Francis, a volunteer with the Woodland Trust, who came and gave advice on planting and caring for our new trees.

#### AMF Bowling Competition

Sheets were given out to children this week to 'Design your own Christmas Bowling Pin'.

Entries should be returned to the school office by **Monday 27th November**.

The winner will receive a free game of bowling for their family. They will need to transfer their design onto a bowling pin which will be entered into a county-wide competition to win a free game of bowling for their whole class.
