## Community Picnic

Our community picnic is on the 24th May, 4.30pm at HJS. Entry is free, please bring along your picnic and blanket, drinks will be available to purchase. There will also be free sports activities for the children to take

part in and Mrs Lenny the Lion will also be making an appearance! Please note that all children must be accompanied by an adult. We look forward to seeing everyone at the picnic.

## Haughmond Federation Website

We are pleased to announce the launch of our new Federation website. The site can be accessed via the following web address;

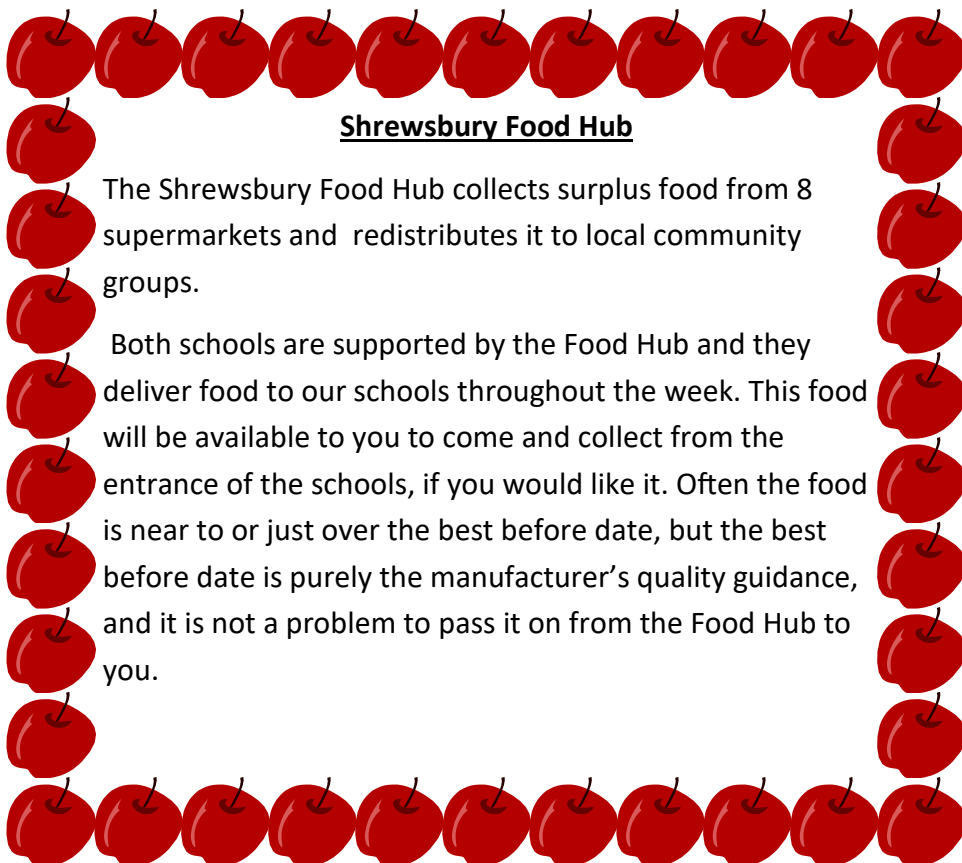

[www.haughmondfed.net](http://www.haughmondfed.net)

This website will eventually replace the existing individual school websites .

## Shrewsbury Food Hub

The Shrewsbury Food Hub collects surplus food from 8 supermarkets and redistributes it to local community groups.

Both schools are supported by the Food Hub and they deliver food to our schools throughout the week. This food will be available to you to come and collect from the entrance of the schools, if you would like it. Often the food is near to or just over the best before date, but the best before date is purely the manufacturer's quality guidance, and it is not a problem to pass it on from the Food Hub to you.

## May's Value of the Month is Humility

### Boys U11 Kerrison Jones 'B' Team Cup

The 'B' team were involved in the Kerrison Jones Cup on Wednesday 9th May at the Sports Village. The boys were grouped with St Giles, St Winefrides and Oxon. First up were St Winefrides. HJS played very well and scored very early on through Evan. They continued to dominate with good chances for Ellie and Evan. It was in the second half when Ben scored to make the final score 2-0. In the second game, against a good St Giles side, HJS played very well. They defended well and created a couple of breakaway chances too. The game ended 0-0. The last game was against Oxon, HJS knew they needed a win. They played well in the first half creating lots of chances with Ellie going closest hitting the bar then the post. Second half HJS took the lead a lovely passing move saw Ellie score from close range. The second followed quickly with Evan smashing the ball high into the net. It was then Camron's turn to get on the scoresheet, again after a good passing move. The game ended 3-0. So, it was time to see if they had made it through to the final. Unfortunately, for HJS they missed out on the final by one goal. They had the same points as St Giles but they won 1-0 and 5-0 so scored one more goal overall.

It was really hard to take for the team who had played so well over the three games.

HJS should be very proud of themselves, how they played and well they represented school.

Team: Josh , Alfie, Jacob, Ben, Evan, Ellie, Camron and Jacob. Well done guys!!

### Half Marathon Update

The children who entered the Half Marathon challenge have been working very hard over the last few weeks. Most children have managed 10 miles so far with a few needing to catch up over the next few weeks. They will then complete the last 1.1 miles at the Shrewsbury Half Marathon on 17th June. It has been a very exciting opportunity for the children. Staff have also got involved, with Mrs Owen, Mrs Downes, Mrs Thain and Mr Tombleson all taking part.

Running club has also been a great success, taking place on Tuesday mornings at 8:30am. All children, staff, and parents can take part just turn up on Tuesday mornings!

### Attendance –for the week beginning Monday 7th May

### Scholastic Book Club

Just a reminder to all parents that if your child wishes to place an order, please return the form to the school office by Wednesday 23rd May.

### Harlescott Junior School Survey results March 2018

A huge thank you to parents who returned a survey, these findings help us enhance provision. Each week we will look at a survey question so parents/carers can see some of the positive comments and the suggestions for making HJS even better.

117 surveys returned	Strongly Agree	Agree	Disagree	Strongly Disagree	Don't Know

<i>What does the school do well?</i>	<p><b>Everything!</b></p> <p><b>All staff are very professional and friendly</b></p> <p><b>My child is very happy here</b></p> <p><b>Supports, cares and treats her as an individual, also communicates well with myself</b></p> <p><b>Teachers listen</b></p> <p><b>All staff are very caring and approachable</b></p> <p><b>Activities – dodgeball and basketball</b></p> <p><b>Makes my child feel safe and secure</b></p> <p><b>My child feels safe</b></p> <p><b>Learning Mentors, The Hub, The Zone at breaks</b></p> <p><b>Breakfast Club, after school clubs, safe environment, security, etc</b></p>				
<i>What could school do better?</i>	<p><b>Send children home if they become ill at school, not just if they are physically vomiting.</b></p> <p>The welfare of all our children is vital important to us at HJS and we monitor closely all children who say they feel unwell. We look closely for signs that the child has a temperature, which is one key indicator that a child is poorly. If a child has a temperature, is sick or is very clearly unwell school will phone a parent/carer straight away. If symptoms are less obvious we will quite often ask children to have a drink of water and some fresh air to see if this makes them feel better. If symptoms persist we will contact parent/carers for advice. We aim to work closely with parents as we appreciate how tricky it can be to leave work during the day unless it is for a serious illness/accident.</p> <p><b>First Aid is inconsistent, phone calls for head injuries please.</b></p> <p>Our team of first aiders follow strict guidelines when completing first aids. All children who present with first aid concerns are assessed by a first aider who will treat the child, find out about the accident and record all of this on a slip. These slips are then stored in school and a copy is sent home with the child. If a first aid is more serious the first aider will seek a second opinion from another first aider. With more serious first aids which include head injuries, serious cuts, long lasting or extreme nose bleeds, suspected strains or breaks and injuries to the face, a parent/carer will be contacted to inform them and to see if they can come into school. Again we know how difficult it can be to leave work during the day unless it is for a serious injury so we will often offer to monitor the child and ring parents/carers again if needed. Very occasionally a first aid is judged as needing professional medical treatment, in these cases an ambulance is requested and the parent/carer notified. At this point two first aiders would be in attendance with the child and a member of the senior leadership team. At all times we try to educate the children at HJS on how to keep themselves and others safe so the number of first aids is low.</p>
